

Urgent Prayer Request!

Jane VanOsdol's son Jesse was injured in a terrible accident last night. He has second and third degree burns on his legs from the knees down, his arms and his back. Jesse was taken to a burn center in Indianapolis, Indiana last night at about 11:00 pm. He was later transferred to the burn unit at Riley's Children's Hospital in Indianapolis. We expect Jesse to be in the hospital for two to three weeks and then possibly be returning for skin grafts. Please pray for Jesse as the pain is terrible and we are concerned about infection of the burn sites. Also, please pray and for Mark and Jane, Jesse's parents, and his sister Amber, to have God's strength and peace through this difficult time. Thank you for your prayers.

In His Name,

Mary Kane
