*Following God:*  
*A Study on the Book of Ruth*  
*Day Six*

I'm so glad that you came back for Day Six! Please gather your study materials and fire up your computer. Before we begin our study time please take a minute to ask God to examine your heart and confess any sin that He reveals. Now invite the Holy Spirit to fill you and teach you from Scripture as we study.

1. Please read the Chapter Two of the book of Ruth.
  - At this point in Scripture, what is Ruth and Naomi's greatest concern?
2. Now please go back and read Ruth Chapter Two again. This time while you are reading, highlight your Bible or make notes in your journal of anything that strikes you or that you have questions about. Also, please look for a theme word for Chapter Two.
  - If you are making notes in your journal, please expand on why a certain scripture is meaningful to you and what action God wants you to take because of this Scripture.
  - Record your theme word in the blank: \_\_\_\_\_
3. Now please read Ruth Chapter Two in a different version of the bible. If you do not have another version please go to Blue Letter Bible (BLB) at the following link: <http://www.blueletterbible.org/> Follow the same procedure as outlined on Day Two of this Bible study series to read Ruth Chapter Two in a different version.
  - If you have noticed anything new while reading Ruth Chapter Two in a different version that you wish to make note of or mark in your journal please do so.
4. Next, please have ready your list of questions from Step Two. You are going to search a few commentaries to see if you can find answers to your questions.
  - Go back to Ruth Chapter Two on BLB. Look at your list of questions from this chapter. Note what verse your first question is from. Click on the *L* blue box next to this verse to bring up the commentaries menu.

- Click on the commentary drop down arrow and choose a commentary to research. Please notate in your journal answers to any questions and new information that you learn about Ruth Chapter Two. Follow the same procedure for the rest of your questions.

5. Please scan Chapter Two and record everything you learn about Boaz.

- What can be inferred about his character?

6. What do you learn about Ruth and Naomi from this chapter?

- Has anything changed for Ruth or Naomi?

7. In closing, please read Chapter Two one final time in your own Bible.

- What message is God speaking to you today from this portion of Scripture?
- From what you have learned in Chapter Two, what does God want you to do now?
- How will you carry out the changes that God wants you to make?

Thank you for your time today. May the Lord be with you, and may the Lord bless you!
