"But encourage one another day after day, as long  
as it is still called "Today," so that none of you will  
be hardened by the deceitfulness of sin."

Hebrews 3:13

Today is a new kinda quirky Bible journal for busy people who want to jumpstart their day with Scripture. Start the day with a look at the verse and short assignment. Then, revisit your work in the evening to add notes and make changes.

2 Every branch in Me that does not bear fruit He takes away; and every branch that bears fruit He prunes, that it may bear more fruit.

John 15: 2

Some activities bring life, energy and fulfillment, but others drain us of resources and vitality. Today, ask God to show you if there are some things that need to be pruned so you can be more fruitful. List the activities that need to be cut off under the scissors. Remember, it's not only sinful things that need to be pruned from our lives. Too much of a good thing can be a drain as well. Today, to remind yourself to focus on fruitfulness, not busyness, eat a piece of fruit at breakfast, lunch and dinner. Put a check after an apple for each piece of fruit you eat today. How is good work like good fruit? Write doodle or draw your response below!

LORD, who may dwell in your sacred tent? Who may live on your holy mountain? He who walks with integrity, and works righteousness, and speaks truth in his heart.

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

John 1:14

Times seem dark. There seems to be darkness all around us. But the truth is God's glory dwells among us ... piercing the darkness, spilling grace and beauty during uncertain times. God has given us five senses to experience His glory. Look for it everywhere today! Don't rush the experience! It takes time to savor God's glory.
