

Christmas Story: God Uses Everyday People

Join Jane and Mary as they discuss the people God used in the miraculous story of Jesus' birth. What's so interesting is that God uses everyday people to bring about His plans in the world—and He wants to use us too!

We discuss Zacharias, Elizabeth, Anna, Simeon, the Wise Men, Mary, Joseph and the shepherds. Find out what lessons we can learn from each of their lives as we delve into their parts in the Christmas story.
