

Free to be a Slave by Mary Kane

Slavery has left its mark upon this great nation. The “land of the free” was once torn apart by the institution of slavery. During the Civil War, many brave men gave their lives to free their brothers and sisters from the bondage of slavery. Jesus also gave His life to free all people from the slavery of sin and death. Once we are released from the chains of sin we are free to become slaves of Christ. To do the Bible study “Free to be a Slave” please click on the link!
