

Reflections #10: Forward Progress

Thank you for joining us for Reflections, short meditations on scripture intersecting life

Jeremiah 7:24 NLT

Are you discouraged with your journey with God? Sometimes we need to step back and look at the big picture rather than just where we are at the moment. Assess your progress over one year, 5 years, 10 years for an accurate picture of your spiritual life.

Join me today in Reflections as we talk about forward progress. You can listen here or subscribe to our podcast on iTunes. Leave your thoughts in the comment section and thanks for listening!
