

Reflections #13: When God Stirs Up Your Spirit

Thank you for joining us for Reflections, short meditations on scripture intersecting life

Ezra 1:1-5

In today's podcast, we're talking about the phrase "stirred up."

Have you ever felt stirred up about something? Yesterday you weren't the least bit bothered, but now all of the sudden it seems that a certain situation, person, or injustice is all you can think about.

Well in these verses, and many other places in the Old Testament, we see God stirring up people to do something, and it just may be that God is doing the same thing in your life.
