Scripturegraphics: Colossians by Mary Kane

People have different **learning styles**; some learn by hearing, some **learn** by doing, and others learn by seeing. **Scripturegraphics Bible Studies** help you to see on paper what you are learning from your Bible, enabling you to take the information from the eye, to the brain, to the heart. Study the Scripturegraphic, read the text, and do the study questions. We hope you benefit from this new Bible study format.

To do **Scripturegraphics: Colossians**, please click on the link below.
