

Problems, Problems!

P.S.-Pray Specifically!

“Combining the power of scripture with the power of prayer.”

Please read Mark 9:17-29.

Like the father and his son in today's passage, have you been dealing with the same problem for a very long time? Sometimes when a trial or challenge continues to oppress us, we begin to lose hope that we will ever be healed or delivered; we waver in unbelief. What should we do with our doubt or unbelief? Just as the man in Mark 9, take your unbelief to Jesus. Tell Him all about your doubts and ask Him for His divine help. And your Heavenly Father, who is your “refuge and strength, a very present help in times of trouble,” will come to your aid.

Please make this prayer your own by inserting your name or an appropriate pronoun into the blanks as you pray.

Dear Holy Father,

_____ have/has been struggling with this issue for a very long time. Your word promises that if _____ can believe, than all things are possible for me. Lord, _____ want to believe You, but I struggle at times with unbelief. Right now as best as I can, I cry out to You and ask

that You help _____ with my unbelief. Thank you Jesus
that You now live to intercede on my behalf. Thank you that
You are working all things for _____ good. Please
help me to trust in You with all of my heart and lean not on
my own understanding.

In Jesus Holy Name,

Amen
