

Walk Like an Ephesian, Part 4: $1 + 1 = 1$ by Mary Kane

Reading, writing and 'rithmetic are very important to a well-rounded education. Ask any kindergarten student and they will tell you that $1 + 1 = 2$. But is that axiom always true? God's Word states that $1 + 1 = 1$. How is that possible? Only by the **blood of Christ**. To do part 4 of [Walk Like an Ephesian](#), please click on the link.
