i pray

short podcasts to bring the sacred into your everyday

*Do you only have a few minutes for prayer today? You're in the right place! Try one of our new **i pray podcasts**. A few minutes is all you need to pray God's word into any situation by interceding for friends, family, and yourself.*

Today we're praying for **relationships**. In His word, God makes it clear how important it is to maintain unity when possible. With so many fractured family relationships, let's take the offensive and start praying for God to restore and heal relationships between husbands and wives, parents and children, siblings, friends, and the workplace.
