

# Second Sunday of Advent

Today is Day 8 of our **Advent devotional**, the second Sunday of Advent, and our focus is on whether Jesus is the Messiah. John the Baptist is languishing in a prison cell, needing some encouragement from Jesus. Many of us may also go through times of doubt in our lives, so we need to understand that our **faith** is grounded on **truth**.

If you'd like a bit of background about Advent, you can read Day One's entry.
