

# Aromatherapy Tips #1: How to Use All the Essential Oil in the Bottle

How to Use Up  
Every  
Last  
Drop  
of Essential Oil

**If you're like me, you struggle to get every last drop of essential oil out of the bottle.**

And especially when it comes to the more expensive oils like rose, sandalwood, and jasmine, I don't want to waste anything. Every drop is expensive.

I came up with an easy solution to using those last few stubborn drops. You can hear it in the one-minute video below.
