Prayers Around the World: Egypt

It's especially important to pray for Christians around the world who don't have the freedom to worship as they choose. This week let's concentrate our prayers on Egypt. As you probably recently know, President Morsi recently issued a decree that gave him more legislative powers and took away any judicial oversight. Click on this Egypt link for more information.

Prayer:

Father, as we view the political situation in Egypt with our human vision, the plight of Christians there looks bleak. Help us all to see through Your eyes, to see Your hand of protection in their midst. In the midst of bleak, even fearful, circumstances, help believers there to see opportunities to offer compassion and to share Your gospel. We boldly ask You to intervene in the thinking of President Morsi and other leaders to allow greater freedom for all to worship and practice their faith in peace. In the name of Jesus who hears the cry of our hearts, Amen.
