

What Is an Intercessor?

Have you ever wanted to stop praying for a person or situation because it seemed futile?

I've been there and was actually feeling a bit discouraged today when I stumbled across this video on **intercession**. I was so inspired by its message that I had to share it with you.

This video uses the scripture from Ezekiel 22:30 as a basis for its message: *"So I sought for a man among them who would make a wall, and stand in the gap before Me on behalf of the land, that I should not destroy it; but I found no one."*

When we **pray** for others or for a situation, we are standing in the gap between that person or that situation and God. Can you see the importance of plugging that **gap** with your prayers? It is of such importance that God was going to use the prayers of ONE man to not destroy a land, but he could find no one praying. How sad is that!

What gaps are you plugging today? Who are you holding up in mercy before Jesus? What situation are you interceding for in your family, your neighborhood, your country, the world?

After watching this, I am encouraged to keep on praying for those people and situations that seem hopeless. I see how the prayers of one man, woman, or child can make a difference. Watch the video. Keep on praying.

Pray on!
